Q

Yesterday, Mark Reynolds told me that Shawn Baker is not an authorized representative for the Bear Canyon Mine.

In accordance with what is listed in the Bear Canyon and Hiawatha MRP's, please change our contact lists (including the web site) to show Elliot Finley as registered agent and authorized representative for the Hiawatha Mine 007/0011 and (until the permit is transferred) Charles Reynolds for the Bear Canyon Mine 015/0025.
